**Other Group Business**

Our meetings are doing ok and our asking for some support from this area. We still are doing a speaker meeting on the 1<sup>st</sup> Friday of each month as candlelight 7-8:30pm.

We are great full to have a donation to the area service this month of \$29.27 along with a literature order.

Our group still has concerns over motions that were presented by the Convention committee. They also feel that going into the next convention knowing there is not enough seed money is being irresponsible. Relying on fundraising to be responsible for the difference they feel is a problem. Feel that until this area has the support needed and financing to back it we should not be sponsoring a convention at this time, they feel the message of helping a suffering addict is being lost and not being the priority. They also want to know why groups are not getting detailed disclosures of each budget with starting funds, where money was spent and the end results. Why do groups not know total attendance, how many newcomers, packets sold, not registered and so on. Some members also are concerned with money taken from Naranon.

We do hope that these will be addressed as needed. It is our responsibility as a group to make sure there is accountability, policies are being followed and proper procedures are being conducted to run a effective area service. Also keeping in mind our primary purpose - to carry the message to the addict who still suffers.

This month's Birthday celebrants...Jim C. 20 yrs

\* We will be starting our bon fire meetings again 1<sup>st</sup> Friday starting in December.  
 Also we are planning our 40<sup>th</sup> anniversary - More to be revee

Space Coast Literature Report  
August, 2011

Todd has been working with the former literature chairpersons to adapt the order form with updated prices and items. I ordered enough of each item so that we should not run out during the area meeting.

Amount turned in to the Treasurer: \$ 645.85  
Literature purchase this month: \$ 1,246.70

I updated the area literature form to reflect the current prices. I discussed these price changes with DAVE D. I also discussed with DAVE ~~HE~~ and JAN the addition or deletion of certain items. I gave out the updated form to all homegroups present. This form will be posted on the area website. The old <sup>lit</sup> form will no longer be accepted after today.
