"FRSO Board of Directors has final word on distribution of materials by the FRSO, with input from the Florida Regional Service Committee.") By removing #12 the BOD may manage pricing of shipping and handling to account for changes in shipping rates, maintain financial responsibility for the RSO but still stay price competitive to other sources for NA literature purchases (other RSO's, WSO, outside vendors)

# RCM Report from FRSC to SCASC August 13, 2006

Good Afternoon Space Coast Members,
We have motions that are being tabled back to groups that are attached.

The Basic Text project review material will be out some time in September, and the PR handbook review should be out so I hear in Dec. maybe ?????

I have Attached a letter that came from WSO as a reply to Daytona Area's problem with sex offenders doing H&I. It's quite interesting and it is some very good food for thought.

I would like to just say a few words about our attendance at regional subcommittee meetings.
Our helpline hasn't attended regionals in so long we're not even on the roll call anymore, and I would hope to have helpline explain their lines of communications with regional helpline committee. In the H&I subcommittee our report was mailed in but there was no one there to speak our voice or vote in that meeting. Do our Trusted Servants know what their duties are? Do they understand that they were voted in to fulfill the duties assigned to them and some of these subcommittees of this area? Do they understand the importance of speaking our area's conscience in these meetings and the trust and honor it is to have been given that responsibility? There's some stuff we should be discussing with each other. And a question we should be asking ourselves is "Am I placing my personality first? Or the Principles of a Loving Caring Unconditional Higher Power.?

In Loving Service….. John C. S. RCM 1

Helpline Sub Committee 8/06
John D. vice Chair.

Dear family,

Im proud to announce that helpline is funtioning and dueing well. At our last helpline meeting a Secretary, vice Chair has been elected and several pager carriers havebeen ~~elected~~ appointed.

Im Sad to announce that I'll be moveing and unable to fullfill my ~~co~~ committment as Chair ~~o~~ of helpline.

Thankyou for your love and Support.

# BCI Sharpes Status Report

8/12/06

Deanna, Diane and i went to BCI Sharpes on Friday, 11 August to see Mr. Youngblood, the Associate Warden for Programs. He could not meet with us face-to-face but advised us that:

1. With one exception, everyone else had been cleared. However, we still have some name of people whose names were not submitted as a result of the backlog.
2. Monday nights may be a good night for H&I meetings but he will verify that with the chaplain.
3. Deborah, his secretary, will provide a list of actual people cleared and their chosen meeting night via email.
4. From our end, we will need to get folks oriented through the chaplain.

Although this sounds like great news, we have been at similar places before so "more will be revealed."

If you completed an application, please contact jim at 383-7782 or unity@cfl.rr.com. {{{hugs}}} in loving service, jim

Hi Family.

Addict named Deanna here. This is my last report for H & I as my term is up & I have stepped aside. We have a nomination for our area's groups consideration as well as Trusted Servants in the Vice Chair and Secretary positions.

FEED Q is Vice Chair and Panel Coordinator for Circles of Care. DALE H. is our Secretary, Toni is Literature Coordinator and Lynn is our Panel Coordinator for the Women's facilities CFDFL & FRANCES WALKER House.

We currently carry ~~40~~ 32 meetings into 3 facilities each month. (24 into COC, 4 into each CFDFL & FW)

We received a call from Rick at STEPS of Brevard. We (Diane, Jim C, Dale H and myself) met with him on FRIDAY. He asked

about H&I bringing meetings into their facility. STEPS ~~is~~ is an outpatient facility so we suggested his clients make an outside meeting (JFT is right around the corner and up the street) and we (H&I) would bring an introduction to NA meeting every couple of months to their facility to accomodate the "turn-around factor." More will be revealed.

While out that way, Jim, Dione and I stopped out at RCI. Jim spoke to Asst. Warden Youngblood. (Report attached)

We would like to nominate Jessica as H+I Chair. Her qualifications are attached. DCSRs please take back to your homegroups... We are at risk of losing their meeting at CFDFC. We need a recovering addict with 6 mos. clean who is willing to carry a message of HOPE to

the still sick and suffering at CFDFL on Saturday from 7:00 pm - 8:00 pm. We will proride on the job training - Higher Power will proride the reward. Females only and they can contact Lynn @ 482-1425 or Jessica @ 591-8795 or Deanna @ 536-2675.

It has been a prireledge to serre on this Subcommittee and I am grateful for the opportunity.

In Loring Service,

Deanna B.

Activities Subcommittee Area Report
August 10, 2006

Hello everyone my name is Janine and I am a grateful recovering addict. On behalf of the Chair for our Activities Subcommittee I am filling in due to her medical issues. We all hope to have her back and helping as soon as her surgery recovery allows it. We have been meeting on our scheduled times throughout the month and are pleased with the progress we are making. There has been a good participation from within this area of members involved with the committee.

The committee is continuing to work real hard to provide events for this area that are nothing but successful with fellowship and unity. We thank everyone in the area for all your support and help.

Our next event in the working is going to be our annual Beach Bash which has been scheduled for the 24th of September. Flyers have been passed out to the GSR's of every home group. We hope to have a great turnout with lots of participation. The theme is going to be "We are Survivors "and look forward to all the great things that are planned for that day. We will be having a scavenger hunt, sand castle competition, and a tug of war. Along with all of those there will also be some type of puzzle, and fill in the blank for those who cannot take part in the physical events. We are all working hard to provide for everyone and successfully execute success.

We have also been discussing a Sponsor/Sponsee sit down dinner, which should be sometime in November, more to be revealed. Cosmic Bowling Night and a talent show with auction. Then we will be having the annual New Years Eve bash. We would like to announce to any home group interested in planning events to get with us for support and help. We ask the GSR's to take this back to your groups and contact the Chair or Vice-Chair for more information.
Karri (Chair) 321-960-8926 or Janine (Vice) 321-917-7979

Thank you again and remember we meet every first and third Friday of the month at Principles 7pm.

Lastly we will be requesting our monthly budget for the Beach Bash a budget is as follows.

In Loving Service, Janine (Vice Chair)

Thank you for contacting NA World Services and sharing your thoughts and concerns. I apologize for the delay in response. Although we try to respond in a timely manner, our current workload has made the delay unavoidable.

The topic of your concerns is one that is difficult to respond to because it entails so much. Nonetheless we'll give it our best shot based on fellowship experience and how the steps, traditions, and common sense outline a path the area may possibly want to follow.

From our understanding of the situation it involves a member who is a convicted sexual offender and serving in an H&I position at an adolescent/juvenile facility which we believe was treatment and not correctional. We don't quite remember if the individual in question has been arrested again. However, we do seem to remember hearing that he had acted out with a resident of the identified facility. In any event we'll speak in somewhat general terms that would be applicable if he is in jail or not, which would detail a safeguard if adopted by the H&I subcommittee.

Without denying anyone the right to recover, a convicted sex offender should not be allowed to carry the NA message of recovery into an adolescent facility whether treatment or correctional. It amounts to the same as sending someone who used drugs intravenously in to a shooting gallery to carry the message. It's almost a set-up, even though the addict may have been clean for a period of time.

Once again, testing our memory we believe you and/or the H&I subcommittee were looking for some sort of safeguard in an attempt to prevent an occurrence like this from happening again. Before proceeding we must say that we have a feeling we already spoke to a member of the subcommittee, perhaps the chairperson and what we are about to author is somewhat different than what was relayed to that member. it's different due to the fact given additional information we didn't previously have, and talking to other senior staff members we somehow agreed to offer the following as a possible solution or at least a possible safeguard. Of course it would be the subcommittee's decision to use the information provided, a portion of it, or none of it.

First of all, when H&I members volunteer to participate in H&I meetings/presentations, especially in a jail or correctional setting they are normally put through some sort of screening process and have a background check to determine whether or not to allow any individual to enter their facility as a volunteer. If a member of the subcommittee doesn't want to go through that process, they won't be able to participate in H&I meetings/presentations in those facilities. They would, however, have the ability to participate at other facilities that doesn't call for the same requirements.

Because there have been problems that had the potential to have NA banned from a facility the subcommittee may want to discuss and/or consider taking the following action. As a safeguard to protect the NA name, the individual member, and residents of any adolescent or juvenile treatment center you may want to set up a screening process prior to allowing anyone to serve at

any H&I meeting a facility that accommodates younger addicts. What the subcommittee would be looking for is any record of sexual offenses; in short a sexual offender. From my understanding, this can be accomplished without going to authorities by using an internet search; therefore the subcommittee wouldn't be employing the services of an outside agency.

Should the subcommittee adopt this action or some similar action, any member considering taking a commitment at that type of facility should be notified that there is a screening, what the screening entails, and why, unfortunately, the subcommittee has taken those measures.

We suspect there will be some sort of flak if it comes to this point in regard to who would check the information, on one hand, and probably some members taking a stance using autonomy as their point of contention on the other.

Everyone needs to remember that participating in H&I service at times means doing things that seem to be outside of our purview and broaches compromising our personal anonymity. However, anyone with any H&I service experience knows that on many occasions at many facilities members need to measure up to whatever standards a facility has, which usually means a background check. Although the subcommittee normally doesn't have to take such measures, in this case due to past events they would appear to be acting responsibly by requiring some sort of screening prior to being allowed to participate in H&I at an adolescent/juvenile facility.

As stated earlier in this correspondence, it will be the subcommittees' choice with perhaps the ASC's concurrence whether or not they want to take any action in this matter taking into consideration the overall picture which includes the young suffering addict, the area service committee and its subcommittees as well as NA as a whole.

If you have any questions or need further assistance, please don't hesitate to contact us. Until then, we send you our best wishes in your ongoing recovery and in all of your efforts to carry the message to the still suffering addict.

Yours in fellowship,

Freddie Aquino, NAWS Staff

Sorry it is so long.

P.S. My 21st was wed 9th I am on a cruise w/ family, sorry I could not be here.

Clean time 2 years, 5-22-04. I have a sponsor who has one too. I served on STACNA 1 as registration chair & currently am hospitality chair for STACNA II. I have been in service since I've been clean. I've been secretary for H&I & a panel leader. I've carried a room commitment for my homegroup for 1 year & a half. I've brought in meetings to COC Center for drug free living & currently bring in meeting to the Francis Walker halfway house. I've worked the 12 steps w/ my sponsor & apply them in my life & I am working the 12 traditions. I do have a great deal of willingness & it would be my honor to serve as Space Coast H&I chair. H&I is my heart & I love giving back. Thank you for allowing me to serve.
