## **HELPFUL SUGGESTIONS**

Over enthusiasm can be potentially harmful to achieving goals; establish priorities and work toward accomplishing them in a fully informed manner that is consistent with our Twelve Steps and Twelve Traditions.

**ALWAYS** keep in mind our Eleventh Tradition "Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films."

It is through group conscience that service work is best accomplished, and **NO INDIVIDUAL EFFORTS** should be undertaken. Keep in mind our First Tradition: "Our common welfare should come first; personal recovery depends on N.A. unity."

It is important to avoid stating opinions during presentations or media requests and one should not be THE spokesperson for N.A. some media request may well be beyond the scope of area PR and should be referred to the appropriate service body. Remember our Tenth Tradition: "Narcotics Anonymous has no opinion on outside Issues; hence the N.A. name ought never be drawn into public controversy."

Any PR undertaking should be looked at for its possible effects upon N.A. as a whole, or any immediate effects upon the area and/or region, and only after thorough examination of possible consequences should PR projects be undertaken. Remember our Ninth Tradition: "N.A. as such ought never be organized; but we may create service boards or committees directly responsible to those they serve."
