## **Narcotics Anonymous Area Service Committee**

### **Minutes**

**February - 2002**

The meeting was called to order at 2:14 pm by the chair. There was a moment of silence followed by the Serenity Prayer. The chair read the Twelve Traditions and The Definitions of an A.S.C. Roll call was taken afterwards. The floor was opened to any member of Narcotics Anonymous. Jeff addressed the floor about the importance of carrying an NA message in a home group. He also talked about the lack of desire in the area to do service at the area level. Chris, John, Craig Laura and Mike all expressed their opinions about this matter. Some addressed the area about the clarification of guidelines regarding holding a position of service within a group and simultaneously at the area level. This event became a general conversation instead of any one person addressing the actual area.
