Hello Family: Thank you for entrusting me with the privilege to serve the Space Coast as our representative at the Florida Regional meeting in March.

Please read the Regional minutes at http://naflorida.org/about/minutes.

At the GSR assembly, we had four groups reperesented: *Grow or Go*; *HOW*; *Keepng It Real* and *Principles Before Personalities*. The GSR and Alternate were both present for *Grow or Go!* We also carried absentee ballots for five other Groups. Thus, 9 of our 15 Groups chose to be represented at the GSR Assembly. Our 60% participation was actually much better than the less than 30% of all Groups in the Region (204 out of more than 700).

Our Regional Delegate will be voting in favor of **bold-faced** motions.	Region

Old Business

The **Guide to Florida Regional Service** passed. I abstained because our Groups lacked an opportunity to provide their collective consciences.

As I understand the new system, RCMs can vote on some money matters without going back to the Areas. Even so, I abstained from: **Proposal 09-003 11-15-09 RD/TREASURE COAST** That FRC Inc. forward to the Next level of service(RSC) $12,000.00 per our guidelines and fund flow **Intent:** supports traditions and concepts **On table until January FRSC for correct Budget Year AMENDED TO $5,000.00 AND PASSED**

New Business

Proposal 10-06 03-21-10 TREASURER/SECRETARY To accept budgets for fiscal year 2010-2011 as presented. Intent financial responsibility. My note: I provided the entire budget to Joan, our secretary, to include in our Area's new business. Basically, the proposed budget is $64,975.00. Last year's budget was $63,325.00 so this is an increase of $1,650.

I will seek reimbursement for a $97.44 motel expense which was a bit less expensive than the Regional rate. Thank you again for allowing me to represent our Area. {{{hugs}}}, jim

www.spacecoastna.org (has convention details with registration form) 21 March 2010

The Groups sent me here because Samantha, our RCM, could not attend. Someday, I still hope to be attracted to serve here amongst so many talented folks dedicated "...to carrying the message more successfully."

Meanwhile, I thank you for this weekend. I take home both valuable information and warm memories of people that I treasure.

As for our Space Coast Area, our 15 Groups provide 59 meetings. Both our Groups and our organized service structure lack trusted servants.

Open Positions: treasurer, alternate secretary, policy, helpline, activities, PR, newsletter, web servant and RCM II. All positions open in June. Our convention committee nominated Gail R to be next year's convention chairperson.

Convention: SCACNA, *A Vision of Hope II—The Joy is in the Journey*, April 2-4, 2010, Cocoa Beach, FL. Our Saturday "Symphony of Service" workshop hosted by Bhaja, our Area chair, hopes to illustrate how our services can become more effective with simple spiritual principles. The International Palm Hotel (formerly Holiday Inn) 1300 N. Atlantic Ave. (A1A), Cocoa Beach, FL. **Reservations**: 321-392-1647. Rate: $109.99. Registration: $25.

Activities hosted a *Building Better Home Groups* learning day. Without success, the Activities vice chair, with lots of enthusiasm and little experience, sought help from Region—especially in the planning stages. Turnout was small but eager. Activities hopes to host an event in May or June.

Public Relations, **Policy** and **Newsletter**: inactive.

Helpline, in the absence of other leadership, is currently led by a GSR/helpline member. Our helpline had a total of 190 calls. 119 callers listened to our meeting recordings and 57 callers talked to a helpline member. We missed 14 calls—so our record improves.

H&I still carries seven meetings per week to a single treatment center. Charles B, probably still well-known in Region, has become our new H&I chair. In preparation for moving H&I beyond a single facility, he appointed an *ad hoc* to help bring orientations closer to the H&I Handbook and reporting closer to the 21st century.

Literature purchases from the RSO were $430.08 and sales were $696.20.

Our **finances** are brightening since our Group contributions exceeded our expenses. We are within $268.05 of meeting our prudent reserve needs and much closer to again making financial contributions to Region.

{{{hugs}}}, jim, Space Coast representative for the day

Report of Last Committee Meeting: There were 8 people @ our subcommittee meeting. It was nice to have such a good turn out. We are having a minor issue with the phone system ringing to both the acting person on shift and the back-up during one phone call. Myself and another addict will be looking into it. We will also be updating the auto. phone system to reflect all the current meeting changes.

Current Activities of Committee: I made copies for the helpline members and submitted a reciept for 75.00 to the alt. treasure. We had a member state that they had a disturbing phone call from an AA member stating that the county jail is requesting literature from NA. Through further investigation we learned that there is a supposed religious group going into the facility claiming to be NA. It has been requested that the Chair of ASC contact world to see if there is any action that can be taken. It is a huge concern of the Committee. On a lighter note, we had a total of 210 calls with 100 of them being live calls. We only missed 5 of those live calls. Great job to everyone on the Committee! They voted me in as Vice Chair. I hope to be able to serve NA and better carry the message to the addict who still suffers.

In loving service

H&I Report for April 2010

We have information received from Region about obtaining a PIN number and are researching more about what exactly it entails and if we can use it locally. We believe that this is supposed to facilitate the use of volunteers in the Florida Prison system and may help us get into the FDOC Youthful Offenders facility in Brevard.

We are continuing to work on gaining access to Sharps. We have all the documentation ready to go and we know what the requirements are, but we need more members that will be committed to maintain a new facility and go thought the process.

We contacted Circles of Care before we ended the service of Wednesday night meetings. Jim stepped up to the plate to facilitate the Saturday night meeting for 1 month. Hopefully we will not renew the Wednesday night meeting and look to cut other nights in order to leverage our resources into other facilities.

As a committee, we briefly discussed the feasibility of combining H&I and PR into a single subcommittee.

There are a group of interested women in Titusville that would like to take an H&I presentation into the Francis Walker facility in Titusville and we are looking at our policy to see if this can be done. Our policy requires attendance at H&I meetings and to commit to a new facility requires the resources to ensure consistency.

H&I is working on a formalized orientation process that will be maintained by panel leaders as new members join H&I.

Our next meeting is at Eastminster Presbyterian Church at 5/3/2010. GSR's please encourage meeting about service in NA, what a commitment means, and how the NA member can give back to the fellowship.

GSR report for **the HOW group** of NA

Meeting Time & Place: We meet on Fridays at 7pm, 638 South Patrick Drive, Satellite Beach. Our attendance is usually from 15-25 people per meeting but 49 attended Mark's 21st birthday this past Friday. We have no literature purchase but paid rent of $20 and spent $7 on refreshments. We are grateful to contribute **$27.52** to our NA services.

We will have another bonfire speaker meeting from 7-8:30pm on 7 May 2007. Please bring your own chairs—and marshmallows if you want to roast'm! ☺

Karri B, our Alternate GSR, celebrated six years yesterday and we'll formally celebrate her birthday on Friday, 23 April.

Eight members represented our Group conscience during **Old Business**: Nomination for Convention chair: 0 yeas/4 nays/3 abstained. Motion 1-3 passed unanimously.

We had no new business. However, we continued our discussion on the lack of a policy committee and the contradictions in policy for the Area Secretary. We unanimously agreed to work with our Area Secretary and any other members who might want to update that policy.

Motion # ____

State the Motion: Change Article IX Duties, Section 3 Duties of the secretary, item t from: "That our minutes reflect the position (Chairperson, Vice Chairperson, ect....., and not the persons name; Except in elections and motions" to: *"Our minutes shall reflect the position (Chairperson, Vice Chairperson, GSR, Subcommittee Chair, etc.) and not the person's name except in elections, motions, birthdays and roll call. The names shall be first name and last initial only."*

Amendment:

Intent: To add exceptions in which the first name and last initial can be included in the minutes on birthday lists and roll call. This is to allow clarity, recognition and identification of GSRs, Committee members and celebrants in the minutes; and specifies that the name be the first name and last initial only.

Proposed Meeting List Design
April, 2010

Current Policy regarding the meeting list:

Under PR Chair duties meetings must be active 30 days to be put on the meeting list, groups already established can add on a meeting to the list immediately, and group meetings will be removed if meeting is not opening regularly or on time. Group meetings will not endorse meeting facility, and all schedule changes must be in the last Friday of the month, and to call helpline.

In September 2005, we had 31 meetings and they took one page.
In April 2009, we had 43 meetings listed
In March 2010, we had 60 meetings listed

Next month we will be adding at least one new meeting. So keeping in tune with our development, I am proposing we adapt the attached new design which is clearer and would be easier to add new meetings. It identifies our different areas for our newcomers and interested professionals, as well as ourselves when we want to go beyond our "normal" meetings. We might be able to shorten it a bit by adding a legend on the bottom of the face page, and identify different formats by initials only.

Joan F, ASC Secretary, and meeting list person for today

Hello Family: I'm Jim, an addict. If privileged to serve as RCM, you all know that I will bring both my strengths & my weaknesses to the task. You and NA principles will be my greatest assets. My failure to heed both will be my greatest problem. Fortunately, you and NA principles continue to redirect my efforts.

Since I am currently serving as GSR of the HOW Group, my home group will need to replace me or I will be unable to accept the job until December.

I have been clean since 10 August 1991 (18+ years). I have both an NA sponsor and sponsees who continue to educate me. I have worked the steps, traditions and concepts multiple times.

I began—and continue to serve—with such basics as ash trays, brooms and chairs (the ABC's). I successfully served as Group secretary, treasurer and representative.

I am currently active in H&I. I have broad experience at Region, *with* World and as a member of every Area subcommittee. I completed terms as Area chair, vice chair, secretary and the subcommittee chairs—except Convention. Although I worked on more than a dozen of them, my only elected position has been as programming chair.

Professionally, I will bring both my experience as a teacher and with information system design and analysis.

Our Area is currently struggling with a lack of resources—both time and money. "To more successfully carry the message," we might need to make an effort. I would like to do my part as RCM. {{{hugs}}}, jim
