Meeting Address:

Just For Today at 1139 Lake Drive in Cocoa on second Saturday of every month at 3:00 PM immediately following the PR Committee meeting.

Committee Report:

We discussed H&I guideline issues of which they have three sets. A working set, the Area Policy set, and there is a second set that is on the area's website. It was determined that the only applicable set was the Area Policy set as it was the last ones approved by the SCASC.

The PR Committee needs to get immediate control (login and passwords) of the SCASC website. If that is not possible then they should work on getting it shut down and getting a new domain and website under the direct control of the Space Coast Area of NA, Inc.

I gave a draft version of website guidelines to the PR Committee for them to explore next month and will continue to help this in this endeavor to create a set or working guidelines to direct a website trusted servant.

Current activities of committee: We are discussing making separate guidelines for area as opposed to one gigantic set of guidelines: So we don't have to reprint the whole guidelines every time we make a change.

Report of communication w/Regional subcommittee chairs: None

Financial Expenditures/Budget where A.S.C. reimbursement is required: I need $10 to pay rent to JFT for August and September (out of P.C. budget). I also need reimbursement for $35.82 in binders (20) + $128.22 in copying (30 copies) charges in producing SCASC Policy packages from guideline amendment passed in March, 2012. Total reimbursement of $174.04

Public Relations Subcommittee

I'm an addict, my name is Kate. The July PR meeting was held on 7/14 at 1:30pm. I was elected as acting chair of this committee until my 6 months on this sub-committee are recognized. Storage unit was discussed but we have not purchased the unit yet. Website was tabled until we could talk to Charles. Trish placed new meeting lists in the libraries form her list. Joan placed meeting lists in libraries from her list and John placed meeting lists from his list. We received information that an addict came to a meeting using a meeting list from the Cocoa library. We had a new addict join our committee and so we asked her to place the helpline number and information about NA at ECCC and 1st Baptist church. Trish placed the same at STEPS and John at Circles of Care.

We open the meeting at 1:47 on 8/11. Five members of the committee were present. On August 18th PR will have the committee members present information about PR at this areas learning day activity. We will give this presentation at 2:30. John stated he spoke to Charles and was setting up a date and time to meet with him to be given direction on accessing the website. John was hurt in a motorcycle accident and was unable to get back with him right away. When he called and emailed him again this past Tuesday, Charles stated he would be unable to meet with John this month. We have been unable to access the website for some months now and we, as a committee, will contact Go Daddy to select an option. We may have to get copies of this areas corporation papers to establish ownership of the website. Space Coast Area policy chair will be proposing website guidelines. We are looking at making copies of the PR handbook so each committee member will have one to reference when needed.

I thank the committee for having faith in me and look forward to serving this area.

Meeting Address:

Just For Today at 1139 Lake Drive in Cocoa on second Saturday of every month at 3:00 PM immediately following the PR Committee meeting.

Committee Report:

We discussed H&I guideline issues of which they have three sets. A working set, the Area Policy set, and there is a second set that is on the area's website. It was determined that the only applicable set was the Area Policy set as it was the last ones approved by the SCASC.

The PR Committee needs to get immediate control (login and passwords) of the SCASC website. If that is not possible then they should work on getting it shut down and getting a new domain and website under the direct control of the Space Coast Area of NA, Inc.

I gave a draft version of website guidelines to the PR Committee for them to explore next month and will continue to help this in this endeavor to create a set or working guidelines to direct a website trusted servant.

Current activities of committee: We are discussing making separate guidelines for area as opposed to one gigantic set of guidelines: So we don't have to reprint the whole guidelines every time we make a change.

Report of communication w/Regional subcommittee chairs: None

Financial Expenditures/Budget where A.S.C. reimbursement is required: I need $10 to pay rent to JFT for August and September (out of P.C. budget).
