GROUPS ABSENT FOR MORE THAN THE PAST 4 MEETINGS: GLAD TO BE ALIVE, MIRACLES HAPPEN, SERENITY NOW, LIVING WITH PURPOSE, THE SUPPER CLUB, FRIDAY NIGHT LIVE

Open Area Positions:

ALL AREA POSITIONS ARE OPEN FOR NOMINATION FOR NEW TERMS BEGINNING IN JULY

OPEN FORUM

Alternate GSR for Freedom group communicated a message from GSR (Adam) for their group, that he wants to rescind seconding the motion made last month to combine H & I and PR together.

Angel R announced a new meeting in Titusville, he is requesting a donation of literature or a start up kit. The group will be called **Road to recovery.**

Joan F. announced she is withdrawing her nomination for Literature chair that was entered last month because she cannot hold 2 positions at one time.

Lexy had a question about the motion made last month regarding the PR and h & I committees, she was informed an ad hoc committee was formed to investigate the issue further.

I apologize for any stress I may have caused with my email of last month regarding motion #1 in today's business. I was reacting to some emails that I had received, and I thought it would be fair for another point of view to be considered. I specifically mentioned that I was not coming from a place of authority, and if anyone misread that I want to let you know that I definitely did not intend to do that. As it turns out the motion is real simple, there was no reason for all the clamor and fuss; except about the intent, which was what it was all about. I too, dislike to see the Traditions and Principles of our program bandied about and used for personal 'gain', or back door politicking, as one addict shared. I do thank those who contributed to the lively discussion. In love, a simple addict

On another note, I wish to withdraw my nomination for Literature Chair for this month since I cannot hold two elected positions at the Space Coast Area Service Committee, although I am free to help out. I can accept a nomination today to be voted on next month and follow the proper channels. Your humble servant, Joan F

OPEN FORUM WAS THEN CLOSED.

Previous month's minutes were read by area secretary, and accepted.

RCM REPORT

The RCM announced there is no report for this month.

It was asked if the RCM has received an Annual report from Region yet, she has not.

LITERATURE REPORT

SPACE COAST AREA SERVICE COMMITTEE
May 4, 2014
LITERATURE DISTRIBUTION REPORT

We distributed $__549.70_ literature: $_254.17__ cash, and $_230.29____ checks.
Service Committee and new group distribution: $__65.24_____

The Convention committee returned $17.43 literature from the $33.60 that they borrowed, and it was put back into the inventory. There were a few meeting lists left, they went to the Library stock.

Literature purchase last month was $901.48. I got some decals: JIMMY K LOGO $1.00 each and SERVICE SYMBOL & NA LOGO @$1.75 each. These are not on the price list. The symbols are clear background, with either blue or white printing.

I encourage all the groups to send their orders via email: spacecoastasc@gmail.com. It is much easier and if sent early enough, I can acknowledge them and advise of any corrections or shortages. This email address was set up with the Florida RSO in order to make record-keeping simpler for them. It can be the link for future orders also.

The order form is being re-designed in order for all the pamphlets to be together, as well as all the booklets; and two obsolete items removed. It should be easier to read, I think. Thanks to John A who supplied me with a spread sheet to record and follow the inventory automatically. I am using my computer today for that purpose, but I think some calculation formula is missing.

I have not brought all of the items on the last two pages, if any group needs what is not here, I can put them on back order and deliver them during the month. I do have at least one each of the workbooks and guides. Is it the responsibility of the Policy committee or the Literature committee to supply the new groups with our Area Guide? I notice the Area Policy Guide has not been updated as yet.

Temporary Lit Chair, Joan F, in loving and friendly service

2. LITERATURE CHAIR NOMINATION—JOAN F

SPACE COAST AREA SERVICE COMMITTEE
Joan F, Nominee for Literature Chair
Qualifications Resume
May 4, 2014

Got clean in NYC November 10, 1985. I have continuously remained clean since that time, and Just For Today I expect to continue. I moved to the Space Coast in 1996. I attend Narcotics Anonymous on a regular basis, and I serve at GLAD TO BE ALIVE and MIRACLES HAPPEN. I do not attend any other 12 step fellowship.

I served in many positions in NY before moving to the Space Coast; and I was the first paid trusted servant for the GREATER NEW YORK REGION Literature office. Also I owned a 12-step store for a couple of years after that on Staten Island which qualifies me to handle this type of commitment.

I have held all positions on the group level; and was the SCASC Secretary for two years, the PR Chair for two years, the Convention Chair for two years, a member of Hospitality for SCACNA 2, Secretary for SCACNA 3 and the Registration Chair for SCACNA 4. At times I have filled in as Treasurer. I am currently the Convention Chair, my commitment is up in June.

I have a working knowledge with the principles of the 12, 12 and 12; as they are written. I have a sponsor who has a sponsor. I have not absconded with NA funds.

I have the time, ability, strength, hope and experience to handle this position and would be grateful to serve in a position that is 'out of the limelight', so to speak. My only drawback is needing help to tote the 'totes'. My son will help me to and from my car at home. We are making space for the totes.

I got nominated last month for a temporary term, but I actually am not able to hold two elected positions. I am serving as a fill-in, temporary servant, and have done so at several previous times.

Thank you for considering me.

Date: February 9, 2014

Motion # 5

State the Motion: To no longer participate at the Florida Region for the next 6 months

Amendment:

Intent: In Lieu of the ADHOC findings it seems necessary to focus on the issues at hand within the ASC at both the Group and Area level. According to page 60 of the Local Guide to Service : "Participation is a critical factor in delivering services at any level. Sometimes the solutions to these problems are simple and quick; more often, they require deliberate, extended attention."

Motion # (1)

State the Motion: To have Space Coast Area purchase 24 Basic Texts to be distributed to the Brevard County Jail with Public Relations as the point of accountability.

Amendment:

Intent: To carry the message to the addict who still suffers. There are currently no Basic Texts available in the jail. PR is the logical point of accountability since they have already had contact with the jail staff. It would be easy for them to find out what the requirements are for book donations…criteria for the method of delivery and cover type perhaps.

SCACNA A VISION OF HOPE 6
scconv@gmail.com, PO Box 2491
Melbourne, FL 32902
Convention Chair Report to ASC
May 4, 2014

CONVENTION: The convention registered over 300 people, and was enjoyed by most of us. There was one incident with someone having a seizure.
I want to commend everyone for a job well done at the convention, and throughout the season. Part of our mission is to learn new skills, and part of our mission is to carry the message to each other that service is a welcome adjunct to our recovery and that we can do and learn new things; that those of us with more experience are here to guide the way by example and by sharing our knowledge, strength, hope and experience. Now to carry it on.

LITERATURE: I received $33.60 worth of literature from the ASC, $17.43 was returned to the Area. We distributed 1 Recovery & RELEASE, 2 each of PI & THE NA MEMBER, FOR THE NEWCOMER and STAYING CLEAN OUTSIDE; 3 each of SPONSORSHIP and H&I AND THE NA MEMBER; 5 of THE WHITE BOOKLET; and 10 each of NA A RESOURCE IN YOUR COMMUNITY, and FOR THE PARENTS OF YOUNG ADDICTS. No WHO, WHAT & WHY were taken. There was a minimal amount of meeting lists left in the Hospitality Room and I put out meeting lists several times in the lobby and they were all taken. The Committee might need this info for next year. The readings I borrowed from GLAD TO BE ALIVE were returned.

ELECTIONS: All positions except Chair will come due for election in June, and any member of the Space Coast area is welcome at that meeting and may be elected and/or vote. The chair will be elected by the groups in June with the rest of the area service servants. At the time of this writing, as a committee, we have no recommendations for the Chair position, because we did not discuss it. A few people will run for re-election.

GUIDELINES: As I went through the Guidelines Draft over the year, I saw a few typographical errors that need to be corrected. This version was accepted by the fellowship in February. I am submitting those three corrections to the ASC as per area policy for annual review. They are housekeeping motions, and I put them all on one sheet in order to save paper and ink.

The groups have voted to add the word 'Subcommittee' to the Convention Guidelines, without any specific placing of this phrase mentioned. I interpret that as putting it on the cover page and to add a mention in the body, which you will see in four places. The Committee had no problem with it. Article 1-NAME as follows: "SCACNA is a sub-committee of the Space Coast Area and the name shall be……", so that everyone will be clear about it being part of the Space Coast Area, and not a separate entity, and not adding it to the title. The title already states it is part of the Area—SPACE COAST AREA CONVENTION OF NA. See motion with corrections.

If there are any other changes needed, no one from the sub-committees has come forward with that, and the next group can work on it.

NEXT MEETING: Our next regularly scheduled meeting will be May 25th at 2pm at St. Timothy's Church on Croton Road. The June meeting will be Sunday June 29th at the same place.

FINANCIAL INFORMATION:

***Unfortunately, we had a theft of funds by a family member of one of our members. This was accomplished by the sister who was asked to make a deposit, and she added an 8/eight to the amount of the check; namely making 42.43 appear to be 842.43 and the written amount also had the eight squeezed into the front. This member has already made restitution for her sister's action, but after April 27 (this bank statement). The bank has pressed charges, the person has been arrested and our member will be reimbursed sometime in the future through the court action..

STATEMENT OF ACCOUNT, March 30 to April 27, 2014

Previous Balance	$2,141.55
Checks	-2,631.67
Deposits	10,556.00
Available Balance	$10,065.88

Outstanding checks: none

The meeting place and storage are paid for two months, the post office box will be due in June, we registered 15 people for next year, so $150 goes into next year's account, the start up budget for next year is $7,900 (as voted on last year).

There are a few loose ends to take care of in May. There was the issue on check #1035 of $800 and that will be recouped by next report, and Nar Anon has offered their share of the meeting hall expense as $300 for the use of the two rooms. There was no extra charge for the ASC meeting space. We are submitting a check for $3,000.00 today, with the balance due to be paid in June, after the final accounting.

In loving service, Joan F, SCACNA 6 Chair

Mail Minutes: Chair: N/A Vice-Chair: YES, Please!

Members Present: Janice K. (Secretary), Kate A. (PR member), John A. (Vice Chair), and new members Billy B. and Brooke H.

Meeting Address: Courage to Change in Merritt Island on the 1st Saturday of the month at 1:30 PM.

Website Issues: We discussed a motion to elect a "webmaster" presented at the last SCASC. We would like to point out that there is no longer a "webmaster" in our area and that position is called a "Website Trusted Servant." Please also note that the SCASC has already approved Website Guidelines and the Website Trusted Servant is elected by Public Relations (PR). *So we urge the SCASC Chair to rule this motion out of order.*

In addition we also were advised that another motion was made to take this position away from PR and make it a directly elected position by the SCASC and the intent is: "Retain qualified talent. Security of the domain registration and website content." We went to great lengths to secure the domain registration and put it into the SCASC Corporation for exactly this reason of security. The biggest problem with NA websites that are controlled by individuals is if they're ejected or just decide to be ornery it can be quite difficult, if not impossible, to gain control of the website.

Our ad hoc (Jim S., Janice K., Mike K., and John A.) to look at improving the website is ongoing. We have met twice now and we are in the process of evaluating some software called Confluence. After discussion today we feel that Confluence, while fantastic, is much more than we need for our humble purposes. Therefore, by unanimous consent, have decided to give our ad hoc a more refined direction: "To move forward with an open source website software that will be easy to use and simple to maintain" in accordance with the Website Guidelines. We charge the ad hoc with clarifying what exact software we will use providing it allows at a minimum the following characteristics: BMLT for our meeting database along with mapping technology, a calendar for activities and events, characteristics usable for smart phones, subcommittee blogs, a newsletter (if supported by a newsletter committee), and archival storage of minutes, guidelines, and other data.

Page 1 of 2

We were also advised that Jack S. (former PRSC Information Technology Coordinator) has already made a website for the SCASC. We will be looking into the characteristics of this ready to go website this month as well.

Other issues: Brooke brought up an issue that her home group (OWL) wanted to get literature into the county jail. Discussion ensued about whether PR or H&I was better qualified to take care of this even though it probably falls under PR. However, H&I currently has a budget for literature and PR does not. The jail has already indicated to us that they want literature brought in for inmates, but we don't have the budget for distributing mass quantities of literature. We either need to make another trip to visit our contact and ask what literature they want or decide what we want to put in there. Of course the issue is who pays for it in any case. **We seek SCASC input about which way to go here.**

Brooke also asked if PR ever gets calls for presentations. John discussed the dilemma we are currently having with the area asking us to get into the county jail which we arranged for. Problem is that we have no H&I panels that we are aware of. We suggest she contact H&I and see what they are doing as PR's job is to get the door open.

Discussion about how we do literature into the public library system and our current efforts which comprise about 17 separate branches. Again we have limited resources and were only given a mandate by the SCASC to put meeting lists in the libraries. Our current budget for this is strained at the present time.

Nominations:
Janice K was nominated for Website Trusted Servant and gave her qualifications. It was decided that we would table this till next month due to Jim C not being able to attend.

Current activities of committee: All literature is being distributed throughout Brevard County as always, although we were unable to contact Joan T. to verify this.

Report of communication w/Regional subcommittee chairs: There are none in the Florida Region.

Financial Expenditures/Budget where A.S.C. reimbursement is required: Meeting list expense submitted directly to ASC Treasurer.

Grateful to be of Service,

John A.

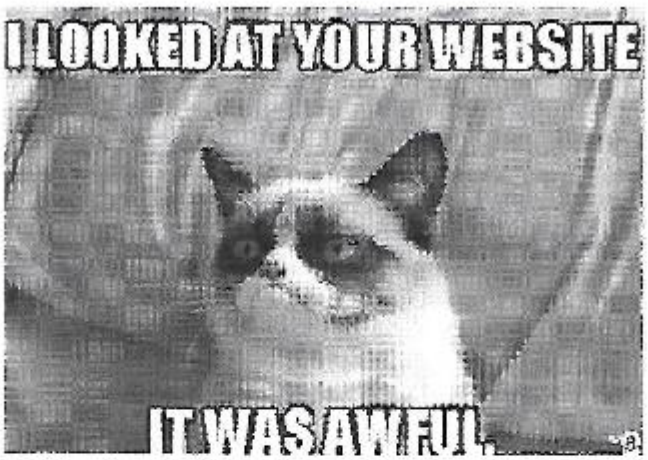
Space Coast NA -ASC



The Space Coast Area Public Relations Committee has created an ad hoc to give us ideas, solutions, and constructive critiques of our area website. We are looking to have a website that according to our guidelines is *"In keeping with our purpose...the website is developed in such a way as to provide maximum functionality and ease of maintainability."*

We need people with creative minds, people who know about building and maintaining websites, people who use websites, people who know about Traditions, and anyone else who's got a vision and wants to help us! You really don't need to know anything about how a website works as we need to have a plan about what we want to do first! We want to keep it simple...

If she is elected in June, she would take the position in July, and her convention commitment is up in June)

We have changed our Wednesday meeting to a Tradition meeting, and Friday to a Step meeting. Someone will read from the Basic Text and then the floor will be open for sharing. Because we are reading the Step and Tradition from the text, we will not read the narrative on the back page of the Group Reading Cards. This is a new format for us, and we will see how it works. We also voted to change the room around, and the bulk of the seats will be in the north end, instead of by the entrance door.
Some addicts from other groups take literature from our group and use it for their own purposes. They feel this is not stealing. We feel that it is, and can cause a hardship on us as well as leave us without certain pieces of literature that our members paid for; it is not free to us. We ask that no one take our literature for their own groups or their own personal use; it is for the newcomers who come to our meeting, or/and for our own use; for example the GUIDE TO LOCAL SERVICE which costs over $7.00 has gone missing. We keep a strict inventory, and should never run out of literature, books or keytags.
Self supporting does not mean taking from another group handfuls of literature just because it is an NA group; a group should be self-supporting and autonomous. Literature is not free to the group, to the area, to the region or to the world. In my experience, when a group was short on something like key-tags for instance, we asked if we could borrow some, and then repaid back in kind ASAP. We did the same thing at another group when we couldn't afford 5 pieces and only needed 2 or 3. Thank you for your cooperation.

We paid $75 rent, bought literature of $167.36, and leaving a prudent reserve of $100, passed on to area our net donation amount of $99.93. We shop frugally and in bulk in order to cut down on costs.
